

Pilen Lyx Special

Order form for retailers only – Beställningsformulär för återförsäljare

Note that the order form is for Pilen retailers only. Private Customers can, if they find it suitable, fill and e-mail this form to their local Pilen retailer. Or print this form and take it to a Pilen retailer or a bicycle shop that you think should offer Pilen bicycles. A Private Customer cannot order Pilen bicycles from the Pilen factory directly. Pilen bicycles are machines and they need to be assembled by a professional to function properly for many years.

Only orders from certified Pilen retailers will be processed. Prices for brand components are only valid in connection with a bicycle order and the component in question will always be mounted. Pilen do not sell for aftermarket (exception: bells).

Need to start over?

Pilen Lyx Special is a customized Pilen Lyx. They share the same frame, fork and most components. But with a Pilen Lyx Special you can choose your own color combinations and swap select components for more exclusive choices. The most popular variation of Pilen Lyx Specials are single color bicycles: the same paint on frame, fork, carrier, chainguard and mudguards. And also white and brown tires.

Order form to be used by retailers only – Beställningsformuläret får endast nyttjas av återförsäljare

1 **Men – Herr** **Lady – Dam**

16 Message - Meddelande

Please note that the availability of select parts can vary during the season. The retailer can often offer a good substitute part.
Vänligen notera att vissa delar inte alltid finns i lager under säsongen. Cykelhandlaren kan oftast erbjuda ett fullgott alternativ.
